Memo on the inspection of the Agricultural Bank at Attibele, Anekal Taluk, made by the Inspector of Agricultural Banks in Mysore on the 19th and 20th April 1898.

Remarks:-

(1) Sanction was accorded to the grant of an advance of Rs 35,000/- in Government Proceedings No. 4416-19 (2) / R.F. 44-97 of 18th November last for the benefit of Attibele and 32 other villages in the said Taluk.

2. The Bank was incorporated as a Company on the 20th

20th December 1897 and the proceedings of the Irish General Assembly were recorded by the Registrar on the 2nd February 1898. As per rules the duplicate copy of the Memorandum and Articles of Association has not been received and filed in the Bank office. The President has been asked to ascertain and report if it was not received in the Taluk office from the Registrar of Joint Stock Companies in Mysore.

3. The Cash Book has not been neatly maintained. The particulars therein given

5 given were found quite insufficient. A cheque for Rs 2000 was drawn on the 2nd instant but not credited in the Cash Book upto date of inspection. The explanation given was that the Amildar directed the cheque being presented about the 25th of the month there being no money in the Taluk Treasury. To avoid such mishaps the Agent was instructed to intimate the previous month to the Treasury, the probable amount required for the succeeding month so that the Treasury officer may arrange to

Given to case in the Keeper of the Case & Records to be returned

to keep this account for honoring the Cheques.

4. From the Statement of receipts and charges enclosed, it will be seen that the Bank has drawn Rs 26,700 against the advance of Rs 35,000. of this amount, Rs 26,675 were lent to 32 of the members under Class I upon the security of immovable property. It may be noted here that mostly the whole amount has been paid to the Sowkars in liquidation of previous

previous liabilities. The interest charged by them ranged from 12 to 30 per cent. The partial failure of crops in these parts for the past 3 years resulted in the accumulation of interest. Now that this Bank was organized the Sowkars did not forego any portion of the interest from the members through ill-will. The opening of this as well as Bidarguppa Bank had however the salutary effect of making the Sowkars reduce the

the interest to 9 and 10
per cent in the case
of some persons who
have been their long-
standing customers
lest they should join
the Bank. The amount
of interest recovered
in advance was
Rs 423-7-4. Out of
this, Rs 375 was sent
to the Agent upon
one surety. Another
surety was ordered
to be taken as per
Article 49 of the
Articles of Association.
The rate of interest
fixed upon loans
under Class I is
5 per cent per annum
payable in advance
once in every six
months by end of
June and December

of

of every year.

5. All the documents executed in favor of the Bank, were examined. They have been drawn up in the sample form approved by Government. Almost all the discharged bonds have been secured and lodged in the Bank office. Steps have also been taken to secure the rest. Although there are only 41 members on the Roll, appreciating the benefits to be derived from the Bank, more than 200 persons have sent in applications to become members and they are pending disposal.

disposal. If the General Assembly decide upon admitting them, an additional grant of Rs 30,000 or Rs 40,000 will be required.

6. There were a few omissions in the postings of the Ledger. Full instructions were given.

7. No property register has yet been opened. A copy of statement submitted to Government has been maintained. It was noticed while checking the documents, that some lands belonging to the members, but not included in the original statement,

were

were hypothecated and loans taken. It was therefore ordered that a complete register of property should be drawn up and a report submitted.

That a register was ordered to be drawn up.

8. Under Government Proc: No. 416-19 (2) / RF. 44-97 dated the 18th November 1897 the limit of the loan to be given to a member was fixed at Rs 2,000 while the total amount to be granted both to himself and to other members on their security at Rs 4000.

9. Attibele Ramaswamy Iyengar and Sreenivasa Iyengar were each given on 3rd March 1878 Rs 2000 on the hypothecation of some

some of their properties.
Again on 21st March
1848, Ramaswamy Aiyengar
took a loan of Rs 2000
on the security of
his other lands and
those of Sreenivasa Iyengar.
Ramaswamy Aiyengar
has therefore taken in
all Rs 4000 for his
own use. This is
contrary to the
orders of Government
quoted above. There
is no doubt that
this member has
property valued at
more than twice the
amount borrowed
by him. The Board
of Directors was asked
to place this matter
before the General
Assembly and report
its decision at an
early

date to this office. On its receipt the papers will be submitted to Government for orders.

This will be accounted & vouchers be submitted

Proceedings of the Government of Mysore, Financial, dated 18th January 1899.

READ—

Correspondence ending with letter No. D. 519, dated 16th November 1898, from the Deputy Commissioner, Bangalore district.

No. 4843-51—R. F. 44-97, DATED BANGALORE, 18TH JANUARY 1899.

ORDER THEREON.—In Government Proceedings No. 4416-19—R. F. 44-97, dated 18th November 1897, the establishment of an Agricultural Bank at Attibele, Anekal taluk, Bangalore district, was sanctioned. The maximum amount of loan of all descriptions to be granted to a member, both on his own account and on account of other members on his security, was fixed at Rs. 4,000. But in contravention of this order, one Ramaswamaiengar, a member of the Bank, was given a loan of Rs. 6,000, both for himself and his brother, on the security of their properties. The members of the Bank explained this to have been allowed in order to enable the said Ramaswamaiengar and his brother to clear the full amount of debt existing on their properties and in consideration of the security offered being sufficient. They now propose that the maximum amount of loan to be granted to a member, and to other members on his security, be raised from Rs. 4,000 to Rs. 6,000. The Inspector of Agricultural Banks recommends that this prayer be granted and the Deputy Commissioner concurs with him.

2. The proposal made does not commend itself to Government. The members of the Bank should be informed that the irregularity noticed above cannot be condoned. The excess amount borrowed by Ramaswamaiengar should be recovered at once and the fact reported for the information of Government.
